Well this summer at **SHIPWRECKED VBS** kids will learn that **Jesus Recues!** They will learn Jesus cares about them personally & He recues in life's toughest circumstances. VBS is filled with incredible Bible-learning experiences, Sciency-Fun Gizmos, great summertime games, new Bible songs, and special tropical treats! All activities that fill our afternoon help faith flow into real life. Kid's will get messy so no need for Sunday best clothes! (play clothes and safe shoes.)

THE SHOE

THAT GROWS

VBS MISSION PROJECT FOR 2018

Practical Compassion

Every summer at VBS we do a mission project that the kids can donate & help with.

This summer we are going to collect money for shoes that grow. Yup... shoes that can grow 5 sizes so a child can have the same shoes for many years, protecting their feet.

We are asking each family to bring \$5-\$10 so we can purchase shoes for children in Africa. We'll talk all week about why having shoes is important & will have an early-bird activity based on these special growing shoes. Please be generous & help us with our mission project this summer.
